

Mechanical Repair Coverage

Essential protection against costly repairs.

Drive with confidence, knowing we've got your back.

A breakdown can be troubling enough without the added worry of expensive repairs. That's why we're pleased to bring you Mechanical Repair Coverage:

Mechanical Repair Coverage

May help limit unexpected covered repair costs as your vehicle ages, potentially saving you thousands of dollars in repairs. What's more, it works at any authorized repair facility in the continental United States of America, Alaska, Hawaii, and Canada.

As your vehicle gets older, the risk and cost of repairs increases.

And the average cost of those repairs can be expensive.*

Coverage Benefits

- **Substitute Transportation:** up to \$50 per day (10-day maximum); available on the first day of a covered repair; benefit is rental reimbursement and is limited to \$35 a day in CA (5-day maximum, 10-day maximum for parts delay)
